## INDEPENDENT AUDITORS' REPORT

### To the Directors of Alberta Lung Association o/a The Lung Association Alberta & NWT

We have audited the accompanying financial statements of Alberta Lung Association o/a The Lung Association Alberta & NWT, which comprise the statement of financial position as at September 30, 2017, and the statements of operations, changes in net assets and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

#### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditors' Responsibility*

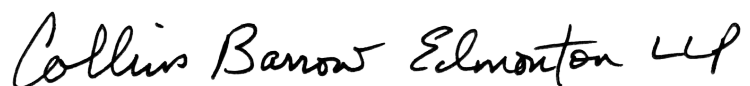

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Opinion*

In our opinion, the financial statements present fairly, in all material respects, the financial position of Alberta Lung Association o/a The Lung Association Alberta & NWT as at September 30, 2017, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Notes to the Financial Statements  
For the Year Ended September 30, 2017

**1. Purpose of the Association**

The Alberta Lung Association (“Association”) was incorporated under the *Societies Act of Alberta*. Its mission and objective is to improve respiratory health through fundraising, community health education programs and professional education activities.

**2. Summary of Significant Accounting Policies**

The financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations (“ASNPO”). The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations that have been made using careful judgement. Actual results could differ from those estimates and approximations. The financial statements have, in management’s opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

**(a) Revenue Recognition**

These financial statements have been prepared using the deferral method of accounting for contributions, the key elements of the revenue recognition policies are:

- (i) Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.
- (ii) Unrestricted contributions are recognized as revenue in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Expenses are recognized when they are incurred.
- (iii) Contributions for endowment are recognized as direct increases in Net Assets Restricted for Endowment Purposes when the donor specifies restrictions on the use of the contributions.
- (iv) Externally restricted net investment income that must be added to the principal amount of resources held for endowment is recognized as direct increases in Net Assets Restricted for Endowment Purposes.

**(b) Donated Services**

The work of the Association is dependent on the voluntary service of many individuals. Since these services are normally not purchased by the Association and because of the difficulty of determining their fair market value, donated services are not recognized in the financial statements.

**(c) Allocation of Expenses**

The Association provides for certain allocation of general operating costs, specifically the cost of rent for the Edmonton office, insurance, computer support/maintenance and professional fees are allocated 49% to Fundraising and 17% to Health Initiatives from Administration. The percentage allocated is based on each department’s percentage share of full-time employees.

2. **Summary of Significant Accounting Policies** (Continued)

(d) Cash and Cash Equivalents

Cash equivalents are highly liquid investments, having a maturity of three months or less at acquisition, that are readily convertible to specified amounts of cash.

(e) Investments

Investments are measured at fair value with any changes in fair value recorded immediately in income for unrestricted investments and recorded as a direct increase in Net Assets Restricted for Endowment Purposes for restricted investments.

(f) Equipment

Equipment are recorded at cost. Contributed equipment, if any, are recorded at fair value at the date of contribution. Equipment under capital lease is recorded at the present value of the minimum lease payments required under the term of the lease. Amortization is calculated on a straight-line basis over the assets estimated useful lives, at the following rates:

Computer hardware and software	3 years
Furniture and fixtures	5 years
Equipment	4 years

(g) Intangible assets

The website development costs are being amortized on a straight-line basis over the assets estimated useful lives of 3 years. Intangible assets acquired during the year but not placed into use are not amortized until they are placed into use.

(h) Financial Instruments

*Measurement of Financial Instruments*

The Association initially measures its financial assets and financial liabilities at fair value, except for certain non-arm's length transactions.

The Association subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market and financial instruments designated to be measured at fair value, which are measured at fair value. Changes in fair value are recognized in the statement of operations unless otherwise noted. Investments are measured at fair value.

Financial assets measured at amortized cost include cash and cash equivalents and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

2. **Summary of Significant Accounting Policies** (Continued)

(h) Financial Instruments (Continued)

*Impairment*

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in the statement of operations. A previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in the statement of operations.

3. **Cash and Cash Equivalents**

Cash and cash equivalents consist of:

	<u>2017</u>	<u>2016</u>
Unrestricted cash	\$ 2,304,306	\$ 807,664
Restricted cash	548,244	528,351
Cash equivalents (unrestricted)	<u>---</u>	<u>1,293,372</u>
	<u>\$ 2,852,550</u>	<u>\$ 2,629,387</u>

Restricted cash consists of cash restricted for special projects, gaming activities, Edmonton Thoracic Society and Campaign for a Smoke-Free Alberta and Smoke-Free Calgary (Note 16).

4. **Accounts Receivable**

Accounts receivable include the following:

	<u>2017</u>	<u>2016</u>
Trade receivables	\$ ---	\$ 9,001
Goods and Services Tax receivable	<u>14,113</u>	<u>11,528</u>
	<u>\$ 14,113</u>	<u>\$ 20,529</u>

5. **Investments**

The fair value of the investments as at September 30, 2017 is \$774,143 (2016 - \$787,580). The investments have been designated as follows:

	<u>2017</u>	<u>2016</u>
Externally restricted for endowment purposes	<u>\$ 774,143</u>	<u>\$ 787,580</u>

**ALBERTA LUNG ASSOCIATION O/A THE LUNG ASSOCIATION ALBERTA & NWT**  
Notes to the Financial Statements  
For the Year Ended September 30, 2017

---

5. **Investments** (Continued)

Investment income earned on resources held for endowment is required by the donor to be reinvested back into the Endowment and as such is recorded as a direct increase in Net Assets Restricted for Endowment Purposes. Investment income consists of interest, dividends and gains/(losses). Investment income for the year ended September 30, 2017 is \$3,105 (2016 - \$19,040) and has been reflected as a direct increase in the net assets restricted for endowment purposes. During the year, an amount of \$39,042 was redeemed to pay for expenses incurred for a project. The Association also recognized an endowment contribution of \$22,500 for the year ended September 30, 2017 of which \$10,000 was received in fiscal year 2016 and was recognized in deferred contributions.

In order to earn optimal financial returns at an acceptable level of risk, the Association has established an investment policy with maximum asset mix ranges of 3% to 40% for cash and money market securities, 60% to 97% for fixed income securities and 0% to 10% for equities. Risk is reduced through asset class diversification, diversification within each asset class and quality constraints on fixed income securities and equity investments.

(a) Interest Rate Risk

The Association manages the interest rate risk exposure of its fixed income investments by management of average duration and laddered maturity dates.

(b) Currency Risk

The Association is not exposed to foreign exchange fluctuations on its investments as investments are not comprised of any foreign securities or foreign currency denominated investments.

(c) Credit Risk

The Association's investment policy restricts the types and proportions of eligible investments, thus mitigating the Association's exposure to market risk. The following are key components of the Association's investment policy:

- Minimum 70% of the portfolio is to be invested in high quality bonds, with a minimum credit rating of AA as defined by Standard & Poors and/or Dominion Bond Rating Services (DBRS).
- Minimum credit rating standard of "BBB" as defined by Standard & Poors, and/or DBRS at time of purchase.
- Maximum allowable investment in "BBB" credit bonds as defined by Standard & Poors, and/or DBRS: 10%
- Maximum allowable investment in "A" as defined by Standard & Poors, and/or DBRS credit bonds: 10%
- Maximum allowable investment in corporate bonds: 50% of portfolio
- Maximum allowable investment in non-rated bonds: 10% of portfolio
- Minimum credit rating for preferred share securities: P1 low, as defined by Standard & Poors or Dominion Bond Rating Service.

16. **Funds Held on Behalf of Others** (Continued)

**Campaign for a Smoke Free Alberta (CSFA)** (Continued)

The objective is to develop, manage and execute a provincial advocacy strategy to secure an adequately funded comprehensive tobacco reduction plan for Alberta that includes tobacco taxation, tobacco control legislation, tobacco sales and marketing, regulations and evidence-based tobacco programs. CSFA is not a legal entity; it is a coalition of member organizations. Administrative support is given to CSFA by the Association staff with no compensation.

**Campaign for a Smoke Free Calgary (CSFC)**

The Association is a member of Campaign for a Smoke Free Calgary (CSFC). This group is comprised of member organizations in the Calgary area. Decisions are made based on the majority of member responses. Reimbursement and payment cheques are approved by a coalition Co-Chair and processed by the Association.

Smoke Free Calgary is a coalition of organizations, invested in the tobacco reduction effort, working towards a tobacco free Calgary. CSFC is not a separate legal entity, but a coalition of member organizations. The Association provides in-kind administrative support for funds processing.

**Edmonton Thoracic Society (ETS)**

ETS was established to educate both patients and health providers about chronic lung illness and obtains funding through corporate sponsorship requests for their education seminars. ETS is not a separate legal entity, but a coalition of lung health professionals. The Association provides administrative support through volunteers and does not receive any compensation.
